Hey,
Sanok...

What are you guys doing?
Are you fooling around?

Huh...?
He's being rude all of a sudden...
You were the one who told me to speak with you comfortably because I am 2 years older than you!
But you did it suddenly, and I was startled.
Should I not do it then?
Do you want me to be very polite?

What...? no... That's even more scarier...
I am younger than you, so you can speak comfortably. It feels friendly and nice...
I don't want you to feel friendly. I will just speak politely.
WHAT DO YOU WANT, YOU ASSHOLE?

Lower your head. *Allen did this on your neck?*

PUSH

AACK. WHY ARE YOU TOUCHING MY HEAD?!

I worned you to not go neor Allen no motter whot... ond how did you get the nerve to...

Wow. He looks so weok but he must hove eoten some ginseng. He is so strong! When he choked me, I thought I wos going to die ond go to hell. Seriously...

laugh

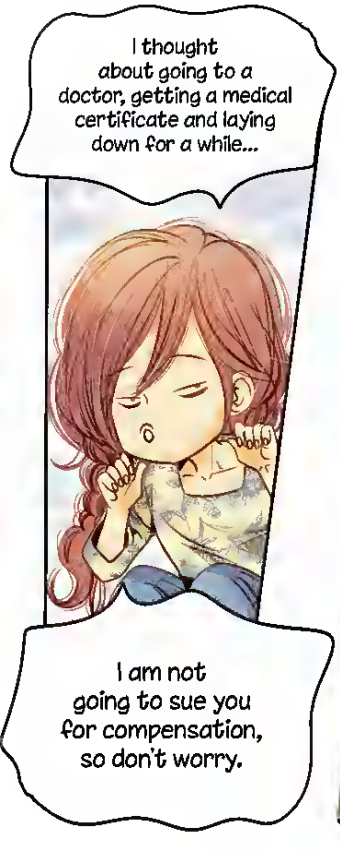
Are you telling me an adventure story? You seem to be having a happy time.

HOW CAN YOU LAUGH?!
I WAS WORRIED ABOUT YOU AND RAN FOR YOU, AND YOU'RE HERE, PLAYING WITH A VENDING MACHINE. WHY DID YOU CALL ME FOR?!

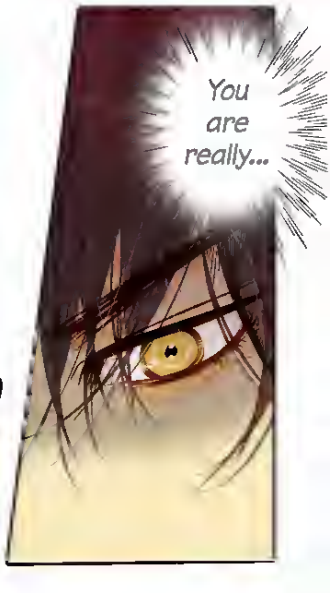
I'm sorry I called you, but isn't it nice that nothing happened? Why are you so angry?
Do you have an anger management problem?

Honestly speaking...

You ran because you were worried that Alien was going to do some kind of disaster. Why are you acting like you were worried about me?
What?



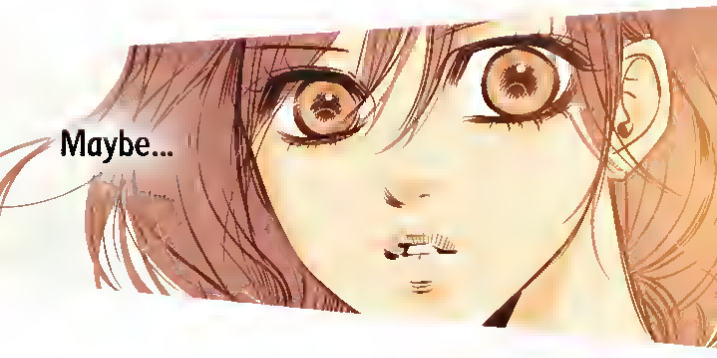
I thought about going to a doctor, getting a medical certificate and laying down for a while...
I am not going to sue you for compensation, so don't worry.



You are really...

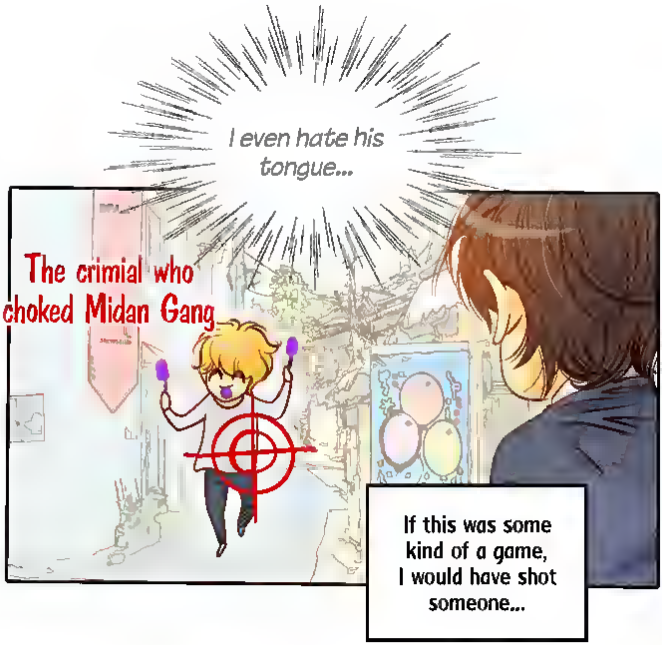
PUNCH
Do you really think like that?
.....

That I was worrried about Allen and so I ran all the way here like a lunatic?!



Maybe...

Ryu! You're here!?
You said you were going to come after three days and you're already back. Was it that hard to stay away from me?
God... I hate him. He's despicable...
Want to eat this? Your tongue changes to purple! Look!
lick
lick



I even hate his tongue...
The crimial who choked Midan Gang
If this was some kind of a game, I would have shot someone...

Now, you should eat this...
GROWL
Uwa... why is there a beast here...

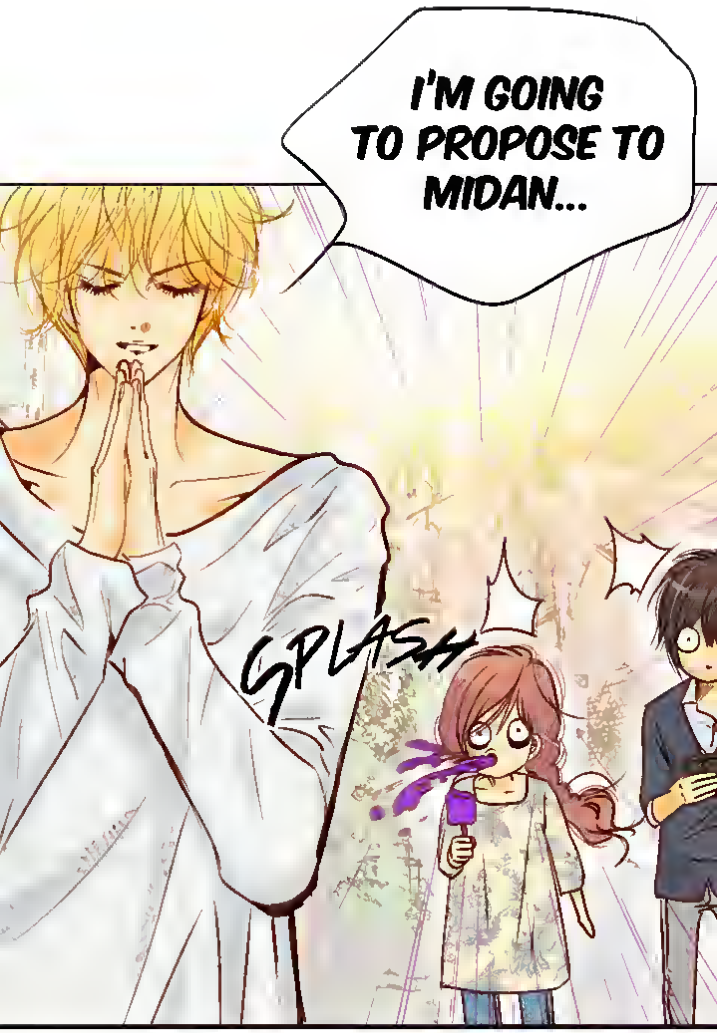
Let's go in now...
I wiped off some paint, but I think I have to wash it properly.
I need to have a word with you before dinner. It's something important.

Is it about the curse?
Yeah, I found important notes that mom wrote. I was going to talk to you about it when I came to you...

Then I'm going to say something really important!
Please give me your attention. This is very important.
An important announcement? The only things important to you are old ladies...
Right. He found a place in the North Chon park where a beautiful old lady appears...
Ignoring
Geez, what do these people even think of me...

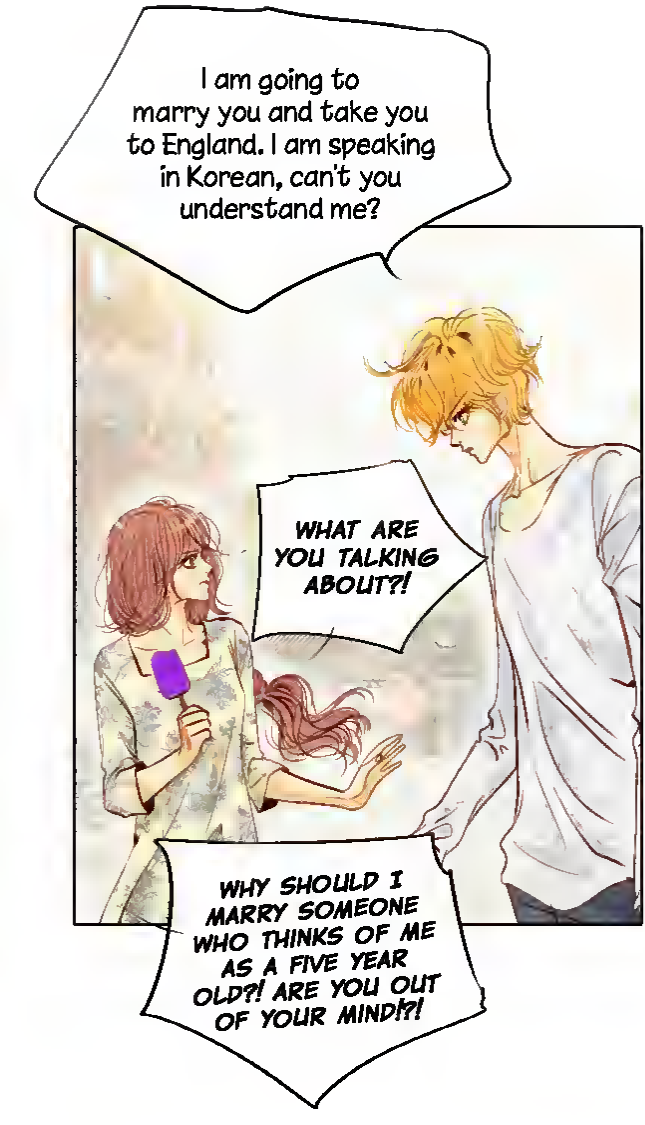
I've decided...

That when my curse is lifted...

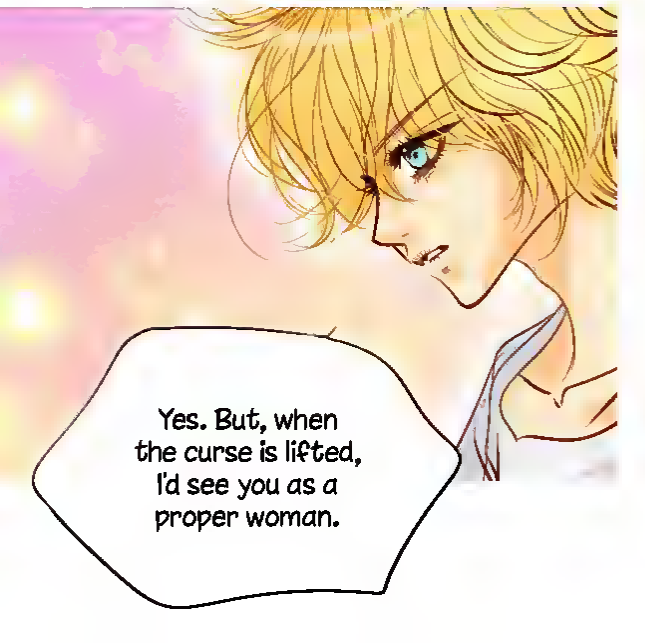


I'M GOING TO PROPOSE TO MIDAN...
SPLASH

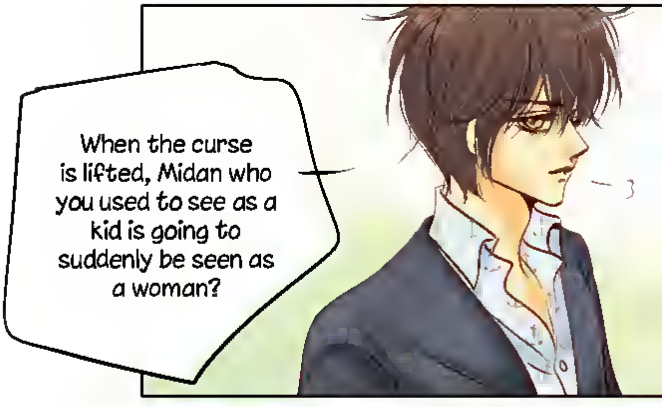
Pro- pro- propose!? What do you mean, you lunatic?!
Ah, what a surprise...



I am going to marry you and take you to England. I am speaking in Korean, can't you understand me?
WHAT ARE YOU TALKING ABOUT?!
WHY SHOULD I MARRY SOMEONE WHO THINKS OF ME AS A FIVE YEAR OLD?! ARE YOU OUT OF YOUR MIND!?!



Yes. But, when the curse is lifted, I'd see you as a proper woman.



When the curse is lifted, Midan who you used to see as a kid is going to suddenly be seen as a woman?

Is human emotion some kind of air conditioning? It's going to be controlled however you like it?
Yes! A Casanova like you will start dating numerous girls! All kinds of them!
No.

I clearly felt it when the curse was weakened just before. Some kind of chemistry which was definitely between us.
Didn't you feel it?

We almost... ended up... doing it.
Wink
WHAT?! WHAT DID WE END UP DOING?!
...Huh?

What? What did you almost do? I should know about it as a guardian of Allen...
HE'S JUST JOKING!
...Joking?
Who says I'm Joking?

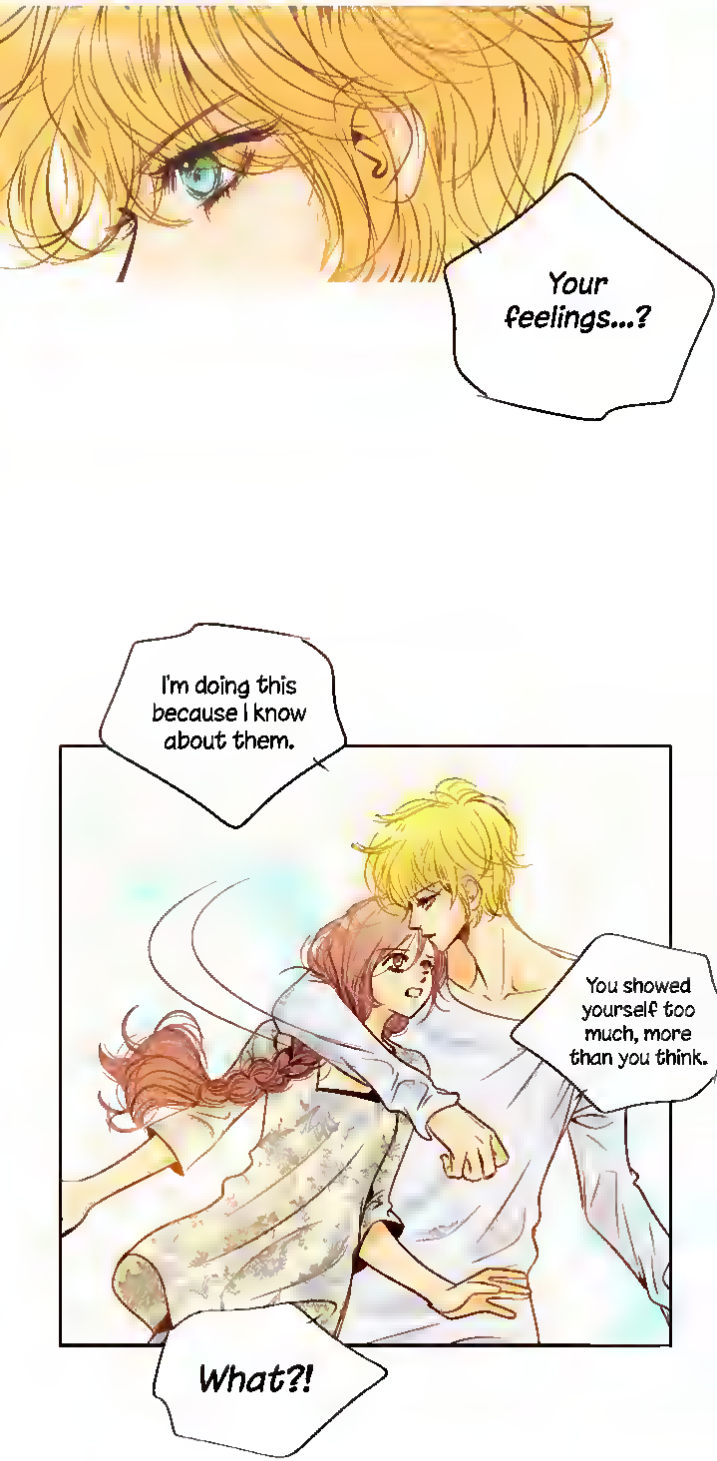
You are going to be the first Asian duchess of household Montrose.
The cursed and the caster come together... Is it not a good climax?

What are those serious eyes...?
Aaaah... I am having goosebumps. This is so weird. What is he doing?
It doesn't really look like you.
Don't be serious. Please...

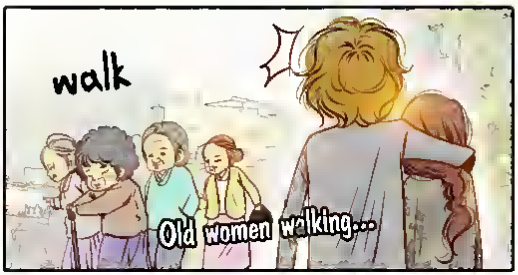
Even if he is a guy who gets hot around old women,
it's the first time he has ever mentioned "marriage"...

Hey! Duke's heir! Take a look at this!
poke

What do you mean that I am going to be the duchess... why are you so certain? Maybe you didn't learn Korean properly?
Even if you want to do it, it's not really likely to happen. What's important are my feelings about it



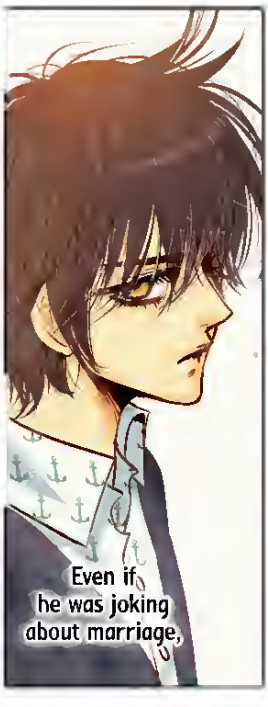
Your feelings...?
I'm doing this because I know about them.
You showed yourself too much, more than you think.
What?!



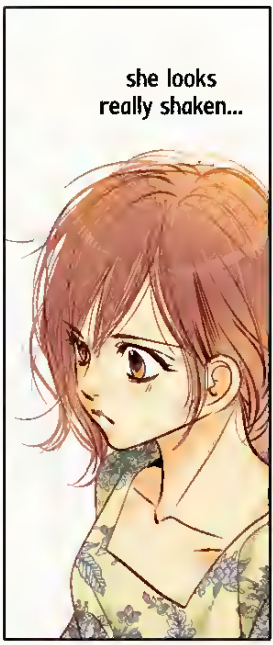
walk
Old women walking...

I am going there, you should go home first.
OF COURSE! YOU DON'T CHANGE!
THROW

WOW.
THIS IS YUMMY,
YUMMY. IT'S RAPE
JUICE FROM
MIDAN.
lick
lick
Is he cursed
or plain
stupid?
I am getting
suspicious...

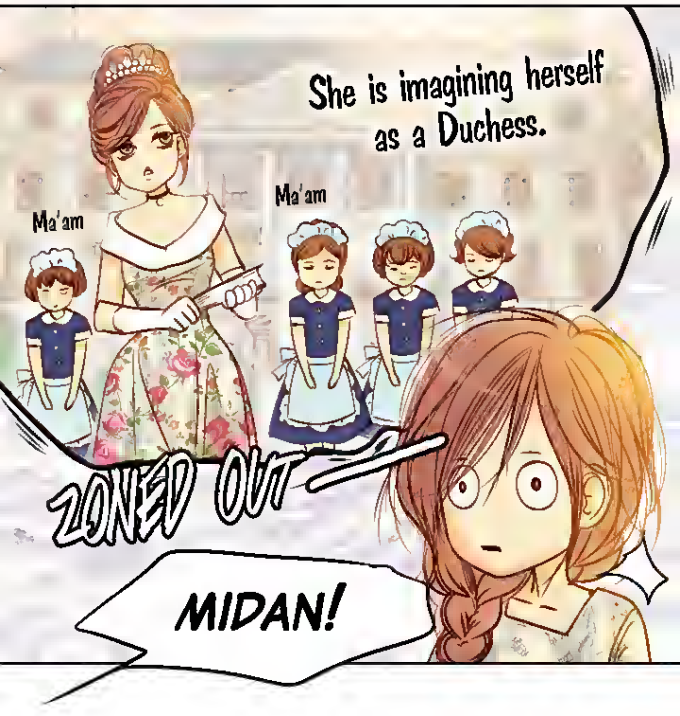


Even if
he was joking
about marriage,



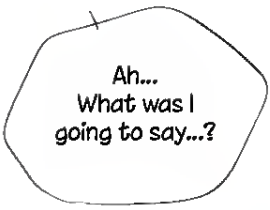
she looks
really shaken...

Anyway women are...
What was it that you wanted to talk to me about when we got home?
Just give me some kind of an idea...
.....

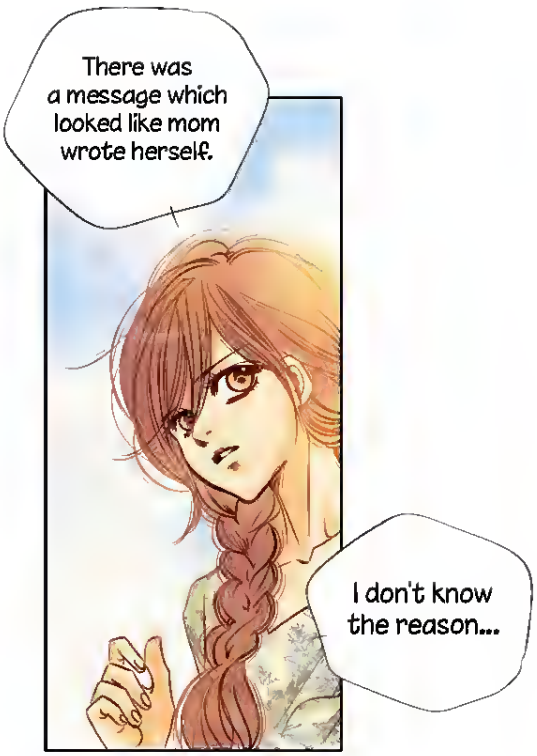


She is imagining herself as a Duchess.
Ma'am
Ma'am
ZONED OUT
MIDAN!

Did a dung fly go inside my head? Why am I imagining this kind of shit? Hehehe.
I must be crazy
Your figure of speech is really cheap. Really...

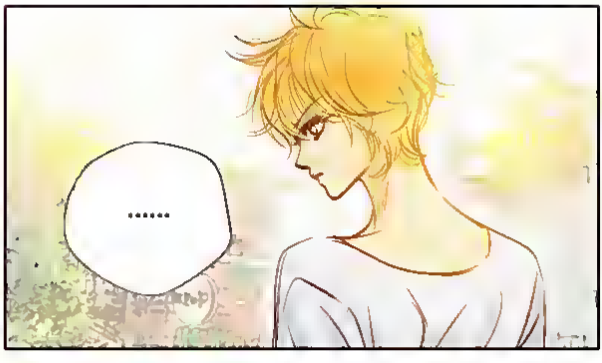


Ah... What was I going to say...?



There was a message which looked like mom wrote herself.
I don't know the reason...

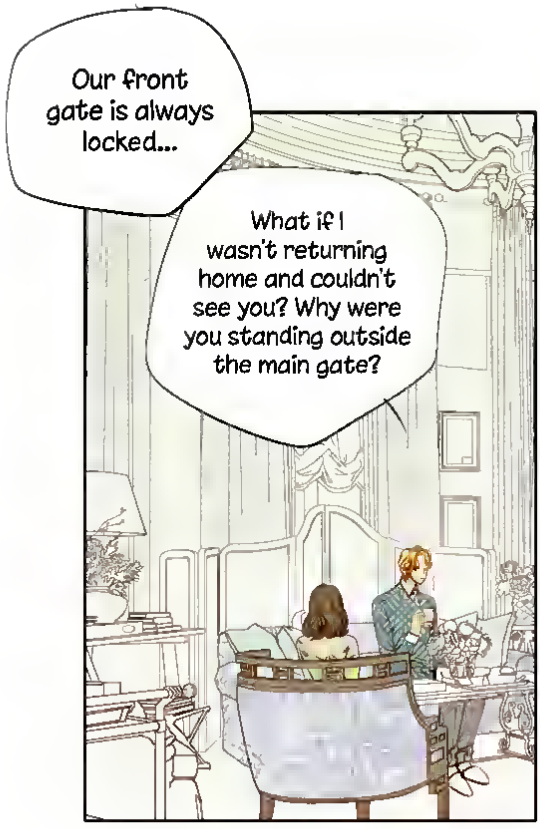
Mom perhaps...
She could have been trying to stop me lifting the curse easily.



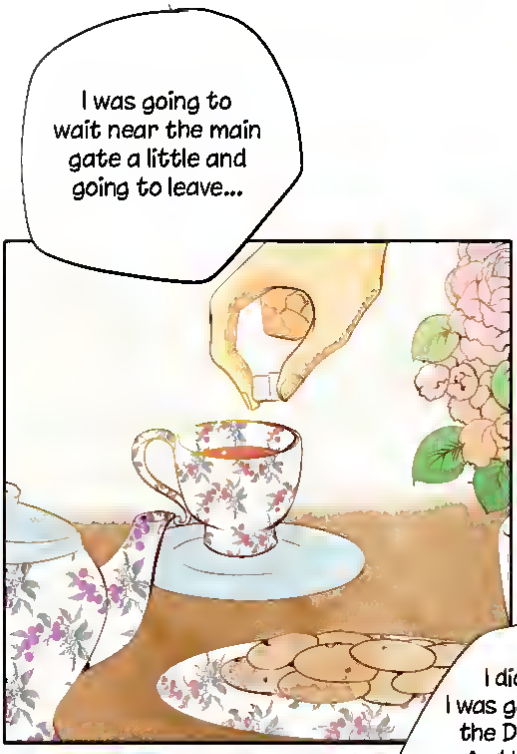
.....

To find the things that mom hid,
I might have to travel far away.

England

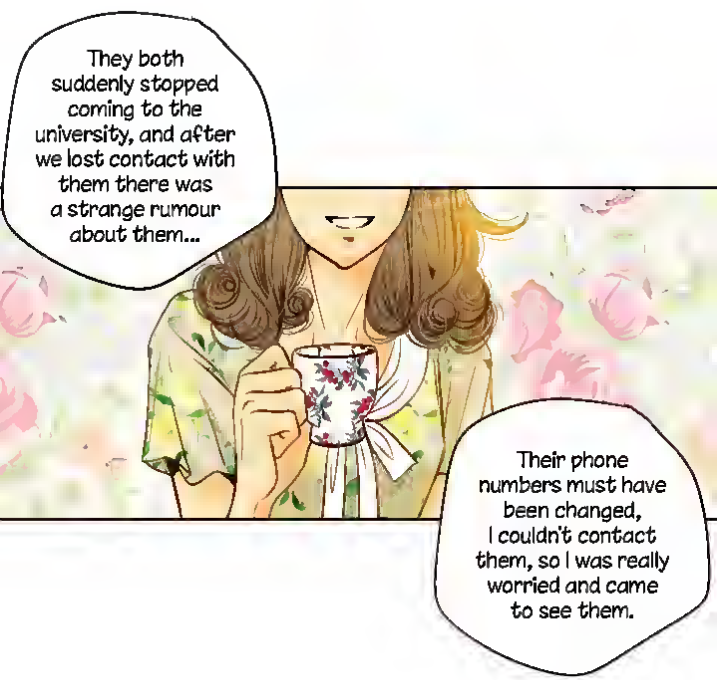


Our front gate is always locked...
What if I wasn't returning home and couldn't see you? Why were you standing outside the main gate?



I was going to wait near the main gate a little and going to leave...
I didn't know I was going to meet the Duke there... And by the way, thank you for inviting me inside your mansion.

You are a school friend of Sanok Ryu? University friend?
Yes. I know Allen a bit too.



They both suddenly stopped coming to the university, and after we lost contact with them there was a strange rumour about them...
Their phone numbers must have been changed, I couldn't contact them, so I was really worried and came to see them.

Hmm...
Ryu kept his staying here as a secret from his school friends. Were you really that close?
Ah... actually...

We used to go out.
Ah...?

Of course Ryu dumped me.
We were good friends later...

He never seemed interested in women.
Was he doing everything that he could get his hands on?

We hide like insects with people shaming us and we have hard time being in a romance, but you are...
The duke is angry about strange things.

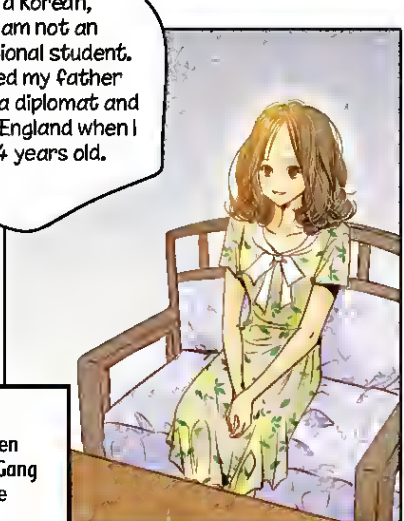
I sent Ryu and Allen for my new business to Asia.

Allen has to inherit my business and Ryu majored in business administration, so I thought that both of them could study much from this...

But something is strange...

Is Karin a Korean? Are you an international student?

I am a korean, but I am not an international student. I followed my father who was a diplomat and came to England when I was 14 years old.



Ryu must have seen the face of Midan Gang for the first time 2 months ago.

Ah, I expected something from her because she is a witch...
It must hove been his first time seeing it on o photo, before he went to Koreo,
Well, she looks normal.

But this girl wha he was dating a year aga...

I can't explain it well, but clearly...

I am travelling to Korea in my school holidays.

She looks like Midan Gang!

Continued in the next episode...
